Sponsorship Program

BACK THE BAND...

The Band That Marches With Pride

Hello Community Partner,

We are reaching out on behalf of the incredible students of the Lewisville High School Band to ask for your support. Together, we can create opportunities that allow every student to thrive while ensuring each member of our program has an exceptional experience, regardless of their background. We would like to invite you to **Back the Band** by considering becoming a sponsor.

As we prepare for the ’26 - ‘27 school year, we are seeking donations from community-minded businesses to help our students pursue excellence. Contributions from local businesses like yours provide equipment for our marching show, fund travel to competitions, support private lessons, and ensure every student has the opportunity to enjoy a high-quality band experience.

Sponsorship Benefits

- **Brand Visibility:** Your business will be featured on our team's social media channels and promotional materials, reaching a broad audience of families, fans, and community members.
- **Community Engagement:** Your sponsorship will highlight your dedication to supporting local students in the arts, strengthening your brand's image as a socially responsible and community-oriented business.
